#### Check One If Applicable:

- Chases Paper Ball, Picks It Up And Runs Away – Aggressive
- Fails To Chase Paper Ball – Submissive

## TEST 8 – TOUCH SENSITIVITY

### INSTRUCTIONS

- This test requires a gradual increase in finger pressure.
  - The tester should practice by squeezing the forefinger of one hand between the thumb and the forefinger of the other; slowly increasing pressure while counting to 12, until he is squeezing as hard as he can. Do not use finger nails, only the pads of fingers. When the tester can do this consistently, begin test. Tester will be shown where to test on the dogs ear.
1. Tester kneels and holds dog.
  2. Tester grasps the dog's ear applies pressure to the count of 12.
  3. As soon as the puppy shows any sign of pain, pulling away, or trying to bite the tester immediately releases pressure.
  4. Tester immediately praises puppy and strokes the dog playfully.
  5. **COUNT IS RECORDED**

### SCORING

#### Check One:

- Count of 5 to 8 – Score 3
- Count of 3 to 4 – Score 2
- Count of 9 to 10 – Score 2
- Count of 1 to 2 – Score 1
- Count of 11 to 12 – Score 1

#### Check One If Applicable:

- Count of 1 to 2 – Submissive
- Count of 3 to 4 – Submissive
- Count of 9 to 10 – Aggressive
- Count of 11 to 12 – Aggressive

## TEST 9 – SOUND REACTION

### INSTRUCTIONS

1. Tester places puppy so it faces away from the direction the sound is going to come from.
2. After the Tester places the puppy, it does not touch it for the remainder of the test.
3. The Assistant shakes a can 3 times very quickly and vigorously to make a loud noise and then freezes in position, not making eye contact with the puppy.

### SCORING

#### Check One:

- Acts interested, moves toward the sound or listens and orients its head curiously in the direction of the sound, even if startled at first – Score 3
- Locates sound, but stays in place and barks – Score 2
- Ignores sound – Score 1
- Goes to sound and barks – Score 1
- Cringes, or backs off, or tries too hide – Score 1

#### Check One If Applicable:

- Locates sound, but stays in place and barks – Aggressive
- Goes to sound and barks – Aggressive
- Cringes, or backs off, or tries too hide – Submissive

### NOTES

## TEST 10 – REACTION TO NOVEL STIMULI

### INSTRUCTIONS

1. Assistant stands off to side holding on to a piece of string that has been tied to a towel.
2. Assistant jerks towel toward himself and not towards the puppy, but sideways in front of it.
3. The towel should be jerked five or six times.

### SCORING

#### Check One:

- Displays some curiosity, approaches and investigate – Score 3
- Ignores Test Object – Score 3
- Barks – Score 2
- Attacks, Growls, Bites, or Threatens – Score 1
- Shies away or hides – Score 1

#### Check One If Applicable:

- Ignores Test Object – Submissive
- Barks and Tail is Up – Aggressive
- Barks and Tail is Down – Submissive
- Attacks, Growls, Bites, or Threatens – Aggressive
- Cringes, or backs off, or tries too hide – Submissive

### NOTES

## TEST 11 – RESPONSE TO FOOD STIMULI

### INSTRUCTIONS

1. Hold a small bit of some smelly food and allow the puppy to smell the food.
2. After a moment the Tester should allow the puppy to have the food.
3. Next, with the dog watching, the Tester takes another place another piece of food in a partially cupped hand and offer it to the dog.
4. If the dog nuzzles the hand it is offered and allowed to eat the food.
5. Tester shows the puppy another piece of food visibly in his fingers. Next he lowers his hand towards the puppy and gently waves the food in front of the puppy while turning in place a 360° rotation.

**GIVE NO VERBAL ENCOURAGEMENT.**

### SCORING

#### Check One:

- Shows interest in food and nuzzles and/or digs at hand and follows tester in 360° turn – Score 3
- Shows interest in the food, but does not try to get it out of the hand – Score 2
- Shows no interest in the food – Score 1

#### Check One If Applicable:

- Growls or Barks at any part of the test – Aggressive

### NOTES

## TEST 12 – STABILITY

### INSTRUCTIONS

1. While the dog is busy with Test 11, the assistant should position six feet away from the tester and the dog, standing motionless and very quiet holding a spring release umbrella.
2. After test 11 the tester calms down the puppy speaking softly.
3. Tester turns dog so it sees the assistant. The puppy is between the tester and the assistant.
4. The assistant watches the puppy carefully. When the dog is looking toward the assistant, the assistant hits the spring release of the umbrella in one quick motion and sets it on the floor.
5. The assistant stands quietly and does not make eye contact with the dog.

### SCORING

#### Check One:

- Reaction, but regains its composure within a moment and then approaches to investigate the umbrella. – Score 3
- Stands and barks but does not approach the umbrella – Score 2
- Tries to run or hide, but can be verbally encouraged to approach the umbrella – Score 2
- Does not react at all – Score 1
- Aggressively barks, growls, and/or feints at the umbrella – Score 1
- Tries to run, hide, or escape and cannot be verbally encouraged to approach the umbrella – Score 2

#### Check One If Applicable:

- Stands and barks but does not approach the umbrella – Aggressive
- Tries to run or hide but, can be verbally encouraged to approach the umbrella – Submissive
- Aggressively barks, growls, and/or feints at the umbrella – Aggressive
- Tries to run, hide, or escape and cannot be verbally encouraged to approach the umbrella – Submissive
